ANARCHY

WELL WHERE DO YOU START ON SUCH A VARIED BELEIF?, FIRSTLY I THINK I SHOULD MAKE A POINT OF SAYING THAT WHAT IM GOING TO WRITE MIGHT CAUSE SOME BACKLASH FROM OTHER RIGHT ON PEOPLE,ALL THE BETTER ID RATE ANYBODY TO READ THIS AND BELIEVE IT AS GOSPAL(HA!)
ANARCHY HAS NO SET RULES THEREFORE THERE IS NO DOCTRINE,MANIFESTO,ETC. GENERALLY IT IS THE BELIEF OF TAKING CONTROL OVER OUR OWN LIVES AND BOWING TO NO GODS,MASTERS OR GOVERNING BODIES. IT IS THE BELIEF THAT ALL PEOPLE LIVE AS ONE REGARDLESS OF COLOUR, RACE OR CREED.WE SHOULD STRIVE TO SURVIVE CAUSENG LESS PAIN POSSIBLE,MY OWN BELIEFS TELL ME THAT CAUSING LESS PAIN POSSIBLE EXTENDS TO EVERY LIVING CREATURE, THEREFORE I THINK IT VERY IMPORTENT TO GIVE UP EATING MEAT(INCLUDING FISH,WHITE MEATS,EGGS AND MILK)

HOW CAN WE TRUELY LIVE FREE AND WITHOUT SUFFERING WHILE WE CONSUME OTHER CREATURES THAT HAVE SUFFERED GREAT PAIN LEADING UP TO A MURDEROUS END? THESE CREATURES ARE SOLD ONLY FOR THE PURPOSE OF PROFIT,LEADING ME TO MY NEXT POINT,MONEY, AS ANARCHIST I THINK WE SHOULD DO AWAY WITH EVERY FORM OF CURRENCY,PAPER,COIN OR PLASTIC,BECAUSE AS LONG AS WE HAVE MONEY,WE HAVE GREED,SUFFERING PEOPLE SCREWING OTHER CREATURES TO BE BETTER THAN THE PERSON NEXT DOOR.THEREFORE STOPPING ANY CHANCE OF EVERYONE BEING EQUAL.HOW WILL WE SURVIVE WITHOUT MONEY?EASY BY TRADE,WE CAN EXCHANGE PRODUCE FOR THINGS THAT WE NEED(NOT WANT).BY DOING AWAY WITH CURRENCY WE ALSO DO AWAY WITH VALUE.WHICH IS IMPORTANT.THEREFORE DOING AWAY WITH MONOPOLIES ITEMS OF PRODUCE WILL BECOME EASILY AVAILABLE TO EVERYONE REGARDLESS OF JOB.

FIGHT BACK Ⓐ

Don't vote - organize for ANARCHY

IMAGINE NEVER HAVING TO GO WITHOUT ANYTHING, IMAGINE TRADING BREAD YOU HAVE BAKED FOR A RECORD OR A HAIRCUT. BY DOING AWAY WITH ALL FORMS OF AUTHORITY, WE CAN TAKE EVERYONE WHO DOES NONE PRODUCTIVE JOBS, ie. ALL THE JUDGES POLICE, PEOPLE IN THE MILITARY, GOVERNMENT WORKERS, POLITICIONS AND GET THEM WORKING ALONGSIDE US TO PRODUCE ALL THE ESSENTIAL GOODS THAT WE NEED TO LIVE HAPPILY, HEALTHY WELL CLOTHED AND FEED.
BY TAKING ALL THE ABOVE PEOPLE AND PUTTING THEM TO WORK TO BETTER THE WHOLE COMMUNITY WE WOULD BE ADDING AROUND ANOTHER 3 MILLION PEOPLE TO OUR WORK FORCE. THUS MAKING IT POSSIBLE TO REDUCE OUR WORKING DAY TO AROUND 3-4HOURS A DAY, LEAVING MORE TIME TO ENJOY LIFE WHILE STILL PRODUCING ENOUGH TO PROVIDE FOR THE THE WHOLE COMMUNITY.
PEOPLE WILL I THINK BEGIN TO TAKE MORE INTEREST IN THE LOCAL COMMUNITY.....
I'll LEAVE THIS SECTION AT THIS UNTIL NEXT TIME FOR IM STARTING TO GET CARRIED AWAY. AND IVE GOT SO MUCH TOWRITE..ANYONE DISAGRING OR WANTING TO KNOW MORE PLEASE WRITE.....

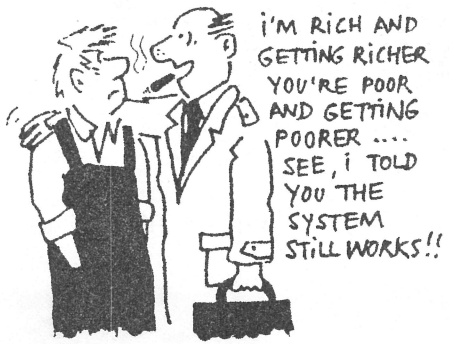
WE HAVE DECIDED TO RELEASE THIS TAPE FOR THE ANARCHIST BLACK CROSS, WHO ARE COLLECTIVES & INDIVIDUALS AROUND OUR PLANET FIGHTING AN ENDLESS STRUGGLE TO FREE CLASS WAR & POLITICAL PRISONERS, WHO ARE ROTTING IN THE SYSTEMS HELLHOLES THEY CALL PRISONS.

CAPITALISM

We live in a society built on exploitation and domination. In Britain, 7% of the population own 84% of the wealth. Yet most of us are forced to go out and sell our labour and our brains to meet our basic needs, like food, housing, clothing etc. At work the wages we earn are just a fraction of what we produce: we may each build 20 or 30 video recorders a week, but we're lucky if our pay-packet will stretch to buying just one. As the working class, we create all the wealth in this society, but we do so only for the profit of the bosses. This is the essence of capitalism.

The 'boss class' own and control the means of production (land, machines, buildings, raw materials etc). For them, all production has a single aim: profit. For the sake of profit, whole mountains of food are destroyed, housing is left to rot, basic health care is denied to most of us, and the earth is plundered and poisoned. Meanwhile, billions are spent on the military and police to defend the privilege and power of the few. All around the world, capitalism offers us nothing except poverty, starvation, pollution, waste, war.... and Paul Daniels.



CLASS STRUGGLE

Working class people all over the world have no interest in seeing capitalism continue. Regardless of whether we're on the dole, slaving for a wage or running a home, we are united by the fact that we have to struggle to survive at the arse-end of this system. Whether we like it or not, our day-to-day life brings us into conflict with the bosses and shows that we are all in the same boat. Sticking together as a class is our strength. The ruling class are always trying to divide us: white against black, men against women, young against old, gay against straight, skilled against unskilled. That's why it's important to politically confront these ideas wherever they appear.

Ultimately capitalism will only be abolished by a revolution — overthrowing the whole social system and building a new world based on liberty, equality and social justice. We know that the bosses will not give up their power without a fight. It may seem crazy or cliched to talk of 'revolution', but it's much more ridiculous to carry on as we are. After all, we built this world. So why do we allow the bosses to steal it off us and then sell it back to us?

ANARCHISM

The word 'revolution' has come to mean all sorts of things to all sorts of people. It's an idea mocked and distorted by every government. Quite simply, revolution is about creating a better world for ourselves. Revolutions aren't about swapping one set of bosses for another. Real change will not come through Parliament, just as real justice won't be found in the courts. Like all State institutions, they exist simply to protect the bosses and deflect our anger. In the same way, real change won't come through any of the left-wing parties. They may slag off Parliament and the Labour Party, but in practice they share the same arrogant attitudes. They believe that we working class people are not capable of making a revolution: the 'revolutionary party' is there to do it on our behalf. Like Lenin and the Bolsheviks in Russia, they are parasites who just want to ride to power on the back of our struggle.

As anarchists, we know that real change only ever comes from below. As soon as we allow others to make our decisions for us, we have lost the fight. Lefty politicians and trade union bureaucrats will change nothing. And nor will those who campaign for change within the law. At the end of the day, these people have nothing to gain from a revolution. History shows time and time again that working class struggle has been most successful when we have worked by ourselves without the 'help' of these would-be leaders. Only we have the power to destroy this rotten system, and only we have the ability to build a better world, because only we have nothing to lose. Together we can create a world where production is organised for need not profit, and where real decision-making lies in the hands of working class people.

Anti-Fascist Prisoners

Last September in London, 3 anti-fascists got a total of 11 years imprisonment for assaulting notorious Nazi activist Nicki Crane. Crane has a long list of convictions for serious anti-Black violence.

We appeal to anti-fascists and all those who care about justice, to support these 3 prisoners.

It is typical, of the legal system, that a Nazi thug is treated less harshly than the anti-fascists who confront him. The Judge (who was Jewish) stated in her summing up that "of the two extremes, the political stance of the anti-fascist defendants did most damage to the rule of law and was consequently a greater potential threat to the Status Quo."!

PROTECT AND SERVE POWER

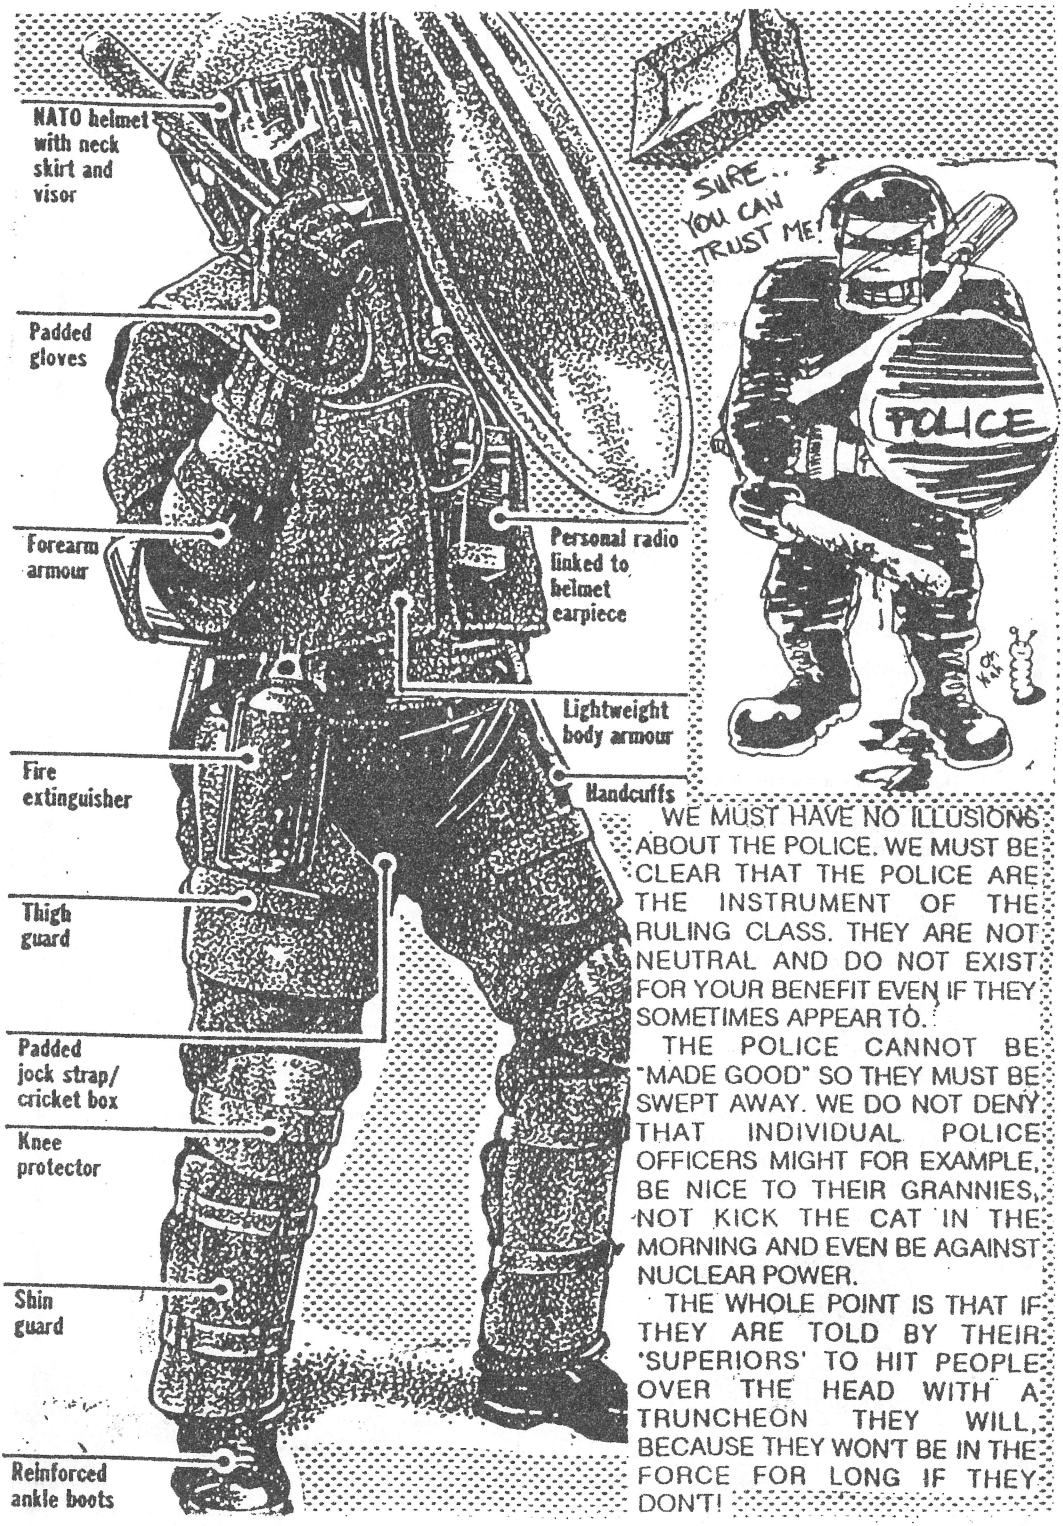
·ARM YOUR DESIRES·
·DISARM AUTHORITY·



WE MUST HAVE NO ILLUSIONS ABOUT THE POLICE. WE MUST BE CLEAR THAT THE POLICE ARE THE INSTRUMENT OF THE RULING CLASS. THEY ARE NOT NEUTRAL AND DO NOT EXIST FOR YOUR BENEFIT EVEN IF THEY SOMETIMES APPEAR TO.

THE POLICE CANNOT BE "MADE GOOD" SO THEY MUST BE SWEPT AWAY. WE DO NOT DENY THAT INDIVIDUAL POLICE OFFICERS MIGHT FOR EXAMPLE, BE NICE TO THEIR GRANNIES, NOT KICK THE CAT IN THE MORNING AND EVEN BE AGAINST NUCLEAR POWER.

THE WHOLE POINT IS THAT IF THEY ARE TOLD BY THEIR 'SUPERIORS' TO HIT PEOPLE OVER THE HEAD WITH A TRUNCHEON THEY WILL, BECAUSE THEY WON'T BE IN THE FORCE FOR LONG IF THEY DON'T!

YOU DESERVE A BREAK TODAY

You deserve a break today
Come on and get it now
Shove a Big Mac down your throat
Sacrifice another cow!

Billions and billions of customers served
Says the famous, golden arches sign
That means millions of animals killed
On the slaughterhouse assembly line!

Yes, you deserve a break today
So come and bring a large towel
To wipe your hands from blood
Of butchered cows, pigs and fowl!

Let the little children know
What McDonald's would like to hide
That the hamburgers they sell
Are animals that once were alive!

Grown in McDonald's hamburger patches
So their deceitful story goes
No mention of the suffering animals
Their anguish, pain and woes!

Ronald is their happy clown of joy
Enticing unaware girls and boys
With super exciting sales pitches
And rewards of McDonald's toys!

He is a well known character
Who's job is very slick
In deceiving all the children
He only makes them sick!

Come on over to McDonaldland
Where you'll have so much fun
You can play on slides and swings
And look at smiling hamburger buns!

Come over to McDonaldland
For happy burgers, shakes and fries
That clog up your arteries
And slowly make you die!

They brainwash the little kids
With big money promotional hype
On the radio and the television
All day long and into the night!

In so many countries around the world
McDonald's is spreading like flies
Massive amounts of clever advertising
Feeding you so much garbage and lies!

They spend millions and millions
To hide their corrupt and evil ways
Selling unhealthful food and drinks
And convincing the public to pay!

Then they donate money to "charity"
To treat the children with cancer
But are harmful drugs and surgery
Really the correct and only answer?

Fast food, poison treats, chemical feasts
Coca cola and grease-soaked french fries
The more junk food and carcasses sold
The quicker the unaware people will die!

Faster, faster, faster food
Which leads to more and more
Cancer, stroke and heart disease
Watch your blood pressure soar!

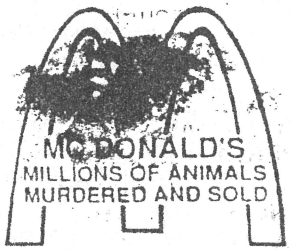
They're cutting down the rainforests
To make more destructive grazing land
So we can have more wasteful meat
While taking grain from starving hands!

Making lots and lots of money
No matter how it's earned
McDonald's must turn a profit
For their corporation concerns!

Watch out for your neighborhood
McDonald's is moving in real soon
Bringing all their styrofoam trash
And Ronald, the smiling buffoon!

Their conspiracy is written all over
The sickening bloody golden arches signs
As you all begin to learn the truth
You too can read between the lines!

Millions of animals murdered and sold
Don't they deserve a break today?
From McDonald's houses of death
We should all stay far, far away!



HELP STOP THIS MADNESS - PLEASE MAKE COPIES AND DISTRIBUTE

POLICE

WELL HERE WE ARE AT A SECTION,WHICH I HOPE WILL BE A REGULAR FEATURE IN FIGHT BACK.
ITS ATIME WHERE I CAN SHARE WITH YOU ONE OF MY PET HATES....THE POLICE....
THESE SNUG BASTARDS ARE NOTHING MORE THAN THE ARMY OF THE STATE& THE RICH BASTARDS THAT RUN OUR LIVES IF YOU THINK THIS IS A BIT HARSH,THINK WHY DO RICH SCUMBAGS LIKE BOND,PACKER& JOH GET OF SCOTT FREE FOR STEALING BILLIONS OF DOLLARS FROM THE STATE (THAT WE THE WORKING CLASS MUST PAY BACK IN EVER INCREASING TAXES)
WHILE MR BILL CITIZEN GETS BETWEEN 5-10 YEARS FOR ROBBING A BANK ARMED WITH NOTHING MORE THAN A HIDEN CUCUMBER THAT LOOKED LIKE A SHOTGUN.
WHY CAN TWO BASTARDS MOCK THE DEATH OF ABORIGINES IN CUSTODY,AT A POLICE CHRISTMAS PARTY, GET AWAY WITH LITTLE MORE THAN A SLAP ON THE PEE PEE (TRANSFERED TO A DIFFERENT POLICE STATION)
WHY HAVE WE GOT THE HIGHEST RATE OF DEATHS IN POLICE CUSTODY OF NATIVE PEOPLE THAN ANYWHERE IN THE WORLD INCLUDING SOUTH AFRICA....
WHY CAN OFFICERS IN AND AROUND REDFERN GET AWAY WITH MENTALLY & PHYSICALLY ABUSING PEOPLE(MOSTLY OUR ABORIGINAL BROTHERS). AND RECIEVE NOTHING MORE THAN BEING SENT TO RE-EDUCATIONAL CLASSES, WHILE IF THE BOOT IS ON THE OTHER FOOT WE THE PEOPLE CAN EXPECT TO BE CHARGED,SENT BEFORE AJUDGE (SCUM) FINED AND OR JAILED.
I11 TELL YOU WHY BECAUSE WE LET THEM,WE DO NOTHING BUT GASP AT THE CRIMES THEY COMMITE,WHETHER IT BE ACCEPTING MONEY TO TURN A BLIND EYE TO ORGANIZED CRIME,BE INVOLED IN THE IMPORTATION OF DRUGS,SHOT INNOCENT PEOPLE, KILL APERSON WHILE DRIVING ASQUAD CAR WHILE BEING DRUNK.
REMEMBER WHO PAYS THEIR WAGES,US,WE DONT NEED THEM AND THEIR STUPID LAWS,WE AS ANARCHISTS CAN FORM OUR OWN COMMUNITY MILITIAS TO KEEP OUR STREETS SAFE FROM ANTI-SOCIAL SCUM, AS FOR THE ABOVE ITS EASY TO SEE SOME OF OUR GALIANT BOYS IN BLUE COULD EASILY FIT I NTO THE LISTS OF ANTI-SOCIAL SCUM THAT WALK OUR LOCAL STREETS AT NIGHT.....
REMEMBER TRUE LOVE IS RUNNING DOWN A STREET WITH A BRICK IN YOUR HAND AND A POLICE OFFICER IN YOUR SIGHTS..UNTIL NEXT ISSUE. MILLIONS OF DEAD COPS...

'Experiments on animals are designed to protect people' is the slogan. It is almost true, too — they protect the multinational drug companies who flood the market with their potent chemicals. New band featuring Joel ex-*Hippycore*, Newt *Assault w/ Intent to Free* and Troll from *Profane Existence*. Best Bakunin/Goldman-influenced empire-crumbling HC from Minneapolis.

DOOM *Police Bastard* EP

Originally released in 1989 and quickly out-of-print. "Their best release" says Joel ex-Hippycore magazine. Five songs of the best Swedish hardcore from England.

NAUSEA *Extinction* (Cassette ONLY)

This is the cassette format of Nausea's brilliant 1990 debut LP. They combine the traditional power of New York hardcore with their own edge combining furious male and female vocals. Lyrics are against the destruction of the planet and of the struggle to live in anarchy.
